

A multi faceted development of individual happens not only from text books and formal education but more from the learner's personal experiences, individual inquisitive nature & social surrounding.

It is the collection of above ideas transformed into suggestive activities that are creative, interesting, meaningful and interactive which is a part of this year's Term- I Inter – disciplinary holiday assignments.

1. Parents are requested only to guide students to explore, think and gather ideas.
2. Activities pertaining to the theme as mentioned below will be conducted in class, evaluated and grades will be given accordingly.
3. Student should only gather the required information/data/details and be ready to do the activity in class. **No project should be done at home during vacation.**
4. Dates for activities to be conducted in class will be intimated by the respective subject teacher after the re-opening of school
5. Each subject activity will carry 10 marks as part of Periodic Test – II.
6. Kindly ensure that your ward spends quality time in reading his/her favorite story book or magazine.
7. **Term – I vacation 28.09.2019 to 13.10.2019. School re-opens on 14.10.2019 (Monday – Full day).**
