## From The Chairman's Desk

**Dear Students, Parents and Teachers,**

I am delighted to extend my warmest greetings to each member of our school community through the pages of this Newsletter. Our school is not just a place of learning; it is a vibrant community where ideas are nurtured and talents are honed.

Education is not just about textbooks and exams; it is about nurturing well-rounded individuals who are equipped to face the challenges of an ever-changing world. Our school, with its rich tradition of academic excellence, is committed to fostering not only academic brilliance but also holistic development in our students.

I hope you find this Newsletter both informative and inspiring. May it serve as a reminder of the incredible potential that resides within each student of our School and the limitless opportunities that school provides.

Thank you for your continued support, and I look forward to witnessing the continued growth and success of our school community.

**N. NARASIMHA REDDY**

## From The Academic Director's Desk

Education is a comprehensive process that enables children to realise their full potential. Our goal is to provide students with the life skills they need to succeed in the real world, including excellent teamwork, communication, planning, organising, decision-making, questioning, reasoning, and analysis skills.

At Suprabhat Model High School, we offer a holistic education that helps students develop into creative, self-driven individuals with rational thought processes. who are self-reliant, assured, and capable decision-makers.

I would want to express my gratitude to all the parents who have placed their trust in our institution and the values it stands for.

With warm Wishes...

**SAMPATHREDDY T**

## From The Principal's Desk

Dear Students, Parents and all stakeholders, schooling is our first contact with the world and for sure, it is the sub sect of the society. It is not the wide-open spaces, classrooms, library and laboratories that make the school; it is in the heart of students, teachers and parents that the true institution exists.

Learning is not a process limited to school nor does it ends with the conclusions of one's school career. It is indeed a lifelong process.

Suprabhat Model High School is oriented to total formation of a child and to adaptations to various methods suiting the dynamics of changing world in order to achieve goals and objectives.

I hope you find this Newsletter both informative and inspiring.

Thank you for your continued support, and I promise to take the Vision and Mission of school to level of "Above and Beyond"

With warm Wishes...

**BHANU VISHAL**

## From The Administrative Director's Desk

విద్యార్థుల మనో వైజ్ఞానిక వికాసంలో ఉపాధ్యాయుల పాత్ర శ్లాఘనీయమైనదని, విద్యార్థి ప్రతిభను బట్టి వారిలోని సృజనాత్మకతను వెలికి తీయాలని నా భావన. ఆదర్శ ఉపాధ్యాయులు ఎప్పుడూ విద్యార్థి జ్ఞాన తృప్తిని వివిధ రకాలుగా అంచనా వేయాలి.

విద్యార్థులకు ముఖ్యంగా తమ మాతృభాష పైన పట్టు ఉండాలి..

విద్యార్థులు మన రాష్ట్ర సంస్కృతి, సంప్రదాయాలను అవలోకనం చేసుకోవాలి.

మన పాఠశాలలో చదివే విద్యార్థులు ఎలాంటి అంశం పైనైన మాట్లాడేందుకు, ఎల్లప్పుడూ సంసిద్ధులుగా ఉండాలి. దీనికి ఉపాధ్యాయుల ప్రోత్సాహం విద్యార్థులకు చాలా సహకరిస్తుంది.

ఒక విద్యార్థి ఉత్తమ విద్యార్థిగా ఎదగాలంటే, ఉపాధ్యాయుడు నిరంతర పరిశోధకుడు అవ్వాలి.

ధన్యవాదాలు

## From The Chief Editor's Desk

Welcome to the latest edition of Suprabhat Model High School's Newsletter! In these pages, you will find a vibrant tapestry of the incredible talents, achievements, and stories that make our school community shine.

From academic excellence to artistic endeavors, sports triumphs to community outreach, this newsletter encapsulates the diverse and inspiring journey of our students.

We hope you enjoy this glimpse into the spirit of Suprabhat Model High School and the dedication of our students and educators in shaping the leaders of tomorrow.

At Suprabhat Model High School, we take paradigm shift on our understanding on "how to learn" and "how to make our students lifelong learners". We aim at devising ways to disengage students from 'rote learning' and engage them in experiential learning, in order that they may become independent learners.

With Warm Wishes...

## From The Mind of Chosen One - The Elect Speaks

**GARGI JOSHI (Head Girl)**

“Nothing in the world can take the place of Persistence. Talents, Genius, Education will not; The slogan ' Press On ' has solved and always will solve the problems of the human race. " This is Gargi Joshi, and I am honoured and privileged to be the Head Girl of Suprabhat Model High School for the academic year 2023-24.

As we embark on this exciting academic year, I am reminded of the immense potential that lies within each one of us. Teamwork is not merely a concept; it's a mindset and a way of life. Let us remember that collaboration fosters creativity. Working in harmony, we can tackle challenges with unified front, ultimately propelling our school to great heights of success.

**SIDDARTH SHAKHAI (Head Boy)**

“WITH GREAT POWER, COMES GREAT RESPONSIBILITY”

As I embark on leadership, I am driven by a shared vision: one of Integrity, Unity and Resilience. Though challenges may hinder our progress, we will rise, fuelled by passion and unwavering belief.

We will face storms with courage, embracing their lessons and emerging stronger. We will empower every student to surpass his or her limitations and strive for greatness.

I vow to uphold unwavering dedication, leading with empathy and understanding. Let us embark on this journey together, as we strive to shape a better future.

**SHIVANI THULJAPURKAR (Sports Captain)**

“THE HEART OF THE GAME: A CAPTAIN’S PERSPECTIVE”

This is Shivani Tuljapurkar and I am honoured to be a Sports Captain for the Academic year 2023 - 24.

Being a sports captain is a privilege that comes with great opportunities and responsibilities. It is about more than just being a sport; it is about embodying values that sports teach us. It is about leadership, teamwork, resilience, sportsmanship, in representing our school with pride. Sports have the power to shape not only athletes but also the character of our community.

We evolved into cohesive unit, bound by a common purpose and a shared passion for our sport. Sports to me, is more than just games. As I continue on this journey, I hope my team inspires me. Game lies in the hearts of those who play it.

## From The Mind of Chosen One - The Elect Speaks

**G. AARTHI (Cultural Secretary)**

“THE BEAUTY OF THE WORLD LIES IN THE DIVERSITY OF ITS PEOPLE.”

Cultural activities embody or convey cultural expressions, irrespective of the commercial value they have. Cultural activities provide students opportunities to express themselves in various fields for their overall development.

It enhances the confidence level of the children allowing them to perform better in every aspect. In fact, being a cultural secretary, it has given me an opportunity to participate in various activities to showcase my talents.

**PRANEETH CHANUMALA (Discipline Secretary)**

“Discipline yourself and others won’t need to. At our school, we take a great pride in our commitment to excellence not only in academics but also in character development. As the Discipline Secretary, my primary aim is to promote a culture of respect, responsibility and cooperation among all the members of our school community.

Discipline is the corner stone of self-control and personal growth. It involves setting clear goals, adhering to a structured routine, and making consistent efforts to achieve those objectives. Discipline empowers individuals to stay focused, overcome distractions, and develop resilience needed to face challenges.

## Pedagogues Getting Trained

### Capacity Building Programme - CBSE - Experiential Learning

The capacity-building program for teachers was designed to improve the knowledge, skills, and abilities of teachers to meet the changing needs of their students and the education system.

The program focused on various areas, including curriculum development, pedagogy, assessment, classroom management, and technology integration specially Experiential Learning.

### CBSE - CAPACITY BUILDING PROGRAMME EXPERIENTIAL LEARNING

Nacharam 'X' Road, Hyderabad.

From Left to Right: Resource Person - Mr. Sanjeev Nampally, Principal & Venue Director - Mr. G. Bhanuvishal, Resource Person - Ms. Bhavani Karanam

## Open Minds, Endless Possibilities - Parent Orientation Programme

**Parent Orientation** is as an advanced form of parent-teacher meeting. An event, which is organized once a year to ensure all-around student development. The parents of all the students were invited and are given a walkthrough of all the school processes. This way parents can understand what their child goes through each day. Parent orientation programs also help parents voice their opinions.

## Empowering The Next Generation of Leaders - Investiture Ceremony

The school conducted a dignified investiture ceremony, instilling leadership qualities in students. It was a moment of pride as young leaders took their oath of responsibility.

Student Cabinet is the highest honor and rank bestowed upon the selected few students which bring in a lot of responsibilities and challenges. Students selected for these posts become the role model for other students to follow and look-up to.

As such, all the members of the student council must follow the school's rules as laid down in the almanac and elsewhere.

They must lead by example and be the ambassadors of Suprabhat Model High School in the eyes of the public and community at large.

## United In Excellence - Houses of Suprabhatas

### ARYABHATA

Suprabhatas has incepted the Aryabhata's legacy who was awarded the moniker 'Father of Algebra' because of his remarkable comprehension and explanation of planetary systems employing it. Aryabhata successfully calculated pi's value to two decimal places, 3.14. He also employed null coefficients and was well aware of the use of zero in such a situation.

"The essence of the scientific spirit is to realise what a wonderful world it is that we live in." With this Inspirational Quote, We Suprabhatas see the beautiful world around us. We are Inspired to see the scientific reasons behind every natural phenomenon. We try to explain how marvelous the world is around us. All his quotes inspire us to explore the philosophy of life and be blessed.

### C.V. RAMAN

### MOTHER TERESA

"Not all of us can do great things. But we can do small things with great love."

This quote encapsulates both her philosophy on life and how one person's actions can have a profound impact on others.

Indeed! The story of this extraordinary woman serves as a reminder that each individual has within them immense power for compassion and change when motivated by love for their fellow human beings.

## Beyond the Regular

Study Period, Ek Bharat Shrestha Bharat, Newspaper In Education, Evening free Sports Coaching, Moulded Slates Alphabets & Language Practice, CBSE Expression Series and initiatives, Life Skills, Value Education, Monthly Themes are a part of regular academic stream.

**STUDY PERIOD:** At our school, we go beyond the regular study period to provide students with a well – rounded educational experience. We believe in nurturing not just academic excellence but also holistic development. Study hour increases concentration and inculcates a sense of discipline.

As a part of the CBSE curriculum, **EK BHARAT SHRESHTHA BHARAT** has been introduced along with other activities to promote cultural connect in the areas of language learning, culture, traditions, music and tourism. To imbibe and instil the culture of Haryana, among the students, we conduct special assembly on Saturdays.

We encourage students to stay informed about current events and expand their knowledge beyond textbooks. Physical fitness and sportsmanship are essential aspects of a balanced education. In the evenings we offer free of cost sports coaching sessions after the school hours where students can hone their athletic skills and engage in team-building sport activities.

**LIFESKILLS AND VALUE EDUCATION** is essential components of a well – rounded education. They equip students with practical knowledge and ethical principles to navigate life successfully. Monthly themes focus on specific values promoting holistic development approach. The themes encourage students to explore the topics like Leadership, empathy, teamwork, environmental stewardship, fostering personal growth and a sense of social responsibility.

### **MOVIE TIME, VISIT TO RASHTRAPATI NILAYAM**

At our school, we believe that education extends beyond the classroom walls. Three of our most cherished field trips include movie time, visit to Rashtrapati Nilayam and teachers’ day out. Field trips are not just outings; they are an integral part of our educational philosophy.
